

# You'll have happy feet with this World Famous Penguin

## With Our Penguin You'll Be A WINNER Too!

Energy efficient. Adaptable. Designed to endure. It's no wonder we have a penguin for a mascot – we share the same qualities!

### Unsurpassed Energy Efficiency

Now is the time to look into the dramatic savings you can expect by upgrading to a Dryvit exterior.

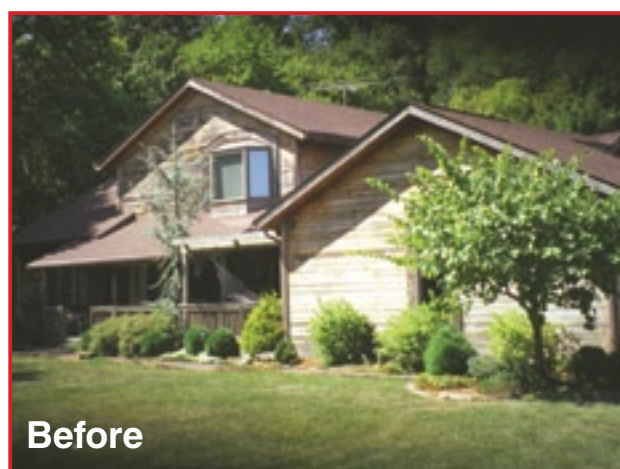

### Environmentally Responsible

Reducing home energy usage helps you contribute to the environment, and may make you eligible for special tax credits too.

### Comfort and Durability

You'll be amazed by the increased comfort of your Dryvit home: drafts and exterior noise are reduced substantially.

Here's how a homeowner in Highland, IL saved by renovating with a Dryvit exterior.

Before

After

Average Yearly Savings  
on heating and cooling **20%**
